

# Conservatory International

## Ensemble Contract

BETWEEN \_\_\_\_\_ AND Conservatory International

ENSEMBLE \_\_\_\_\_

DATE \_\_\_\_\_

1. \_\_\_\_\_, herein after referred to as the student, will participate in a \_\_\_\_\_ hour rehearsal once a week at a cost of \_\_\_\_\_ per month. Payment for rehearsals is to be made monthly and is due on the 1st. Payments can be made in person or can be mailed to:

Conservatory International  
460 Midland Drive  
Pinehurst, NC 28374

2. The student will receive a bill (which outlines the anticipated dates of rehearsals by the first rehearsal of the month) IF REQUESTED.

3. If the payment is postmarked after the tenth of the month, a late fee of \$15.00 per student will be assessed. This late fee will be added to the next month's bill if it is not included with the payment.

4. In order for the ensemble to be successful, all students must be present, on time, and prepared for rehearsal. This includes bringing all music, pencils, a good work ethic, and a positive attitude. Students who are absent will not receive a monetary credit for missed rehearsal. Excessive tardiness and/ or absence may result in dismissal from the program.

5. The most vital element in learning a musical instrument is Consistent Practice. The **minimum** practice time goal is **20 minutes, 6 days a week**. Occasionally, there will be weeks of irregular practice due to illness, vacations, etc., but the student is expected to maintain this minimum (or more) faithfully.

6. Students must be a part of their school ensemble, if one exists, in order to participate in ours. For example, if you are in youth choir, you must participate in your school choir at least one semester a year. This rule does not apply if your school does not have the ensemble or you are home-schooled. Certain exceptions apply on a case-by-case basis.

By signing this contract, the student is committing to lessons on a month to month basis. In other words, if the student terminates lessons, it must occur at the end of the month. Any money that has been paid in advance will not be refunded if the student chooses to terminate lessons in the middle of the month.
